# BUILT ON WORKDAY – WHITE LABEL

You bring the customer insight. We bring deep Workday expertise. Together, we turn that knowledge into solutions.

## Innovate Beyond Tradition.

### WHAT WE DO

We work with you to refine your concept, build to Workday standards, and publish under your brand. By leveraging our expertise, we help accelerate your go-to-market strategy and partner with you through every rollout.

### VALUE PROPOSITION

**For Leaders**
Add value for your existing customer base by partnering with Systics to release a BOW marketplace app that extends your reach.

**For Doers**
Achieve deeper integration with your customers by moving data quickly between platforms while reducing manual processes.

**For Users**
Collaborate with Systics to create clean, intuitive apps that help users get things done without heavy training or complexity.

### COMMERCIAL DETAILS

**Transparency**
No surprises: clear pricing for app design, development, and marketplace publishing.

**Built For Fit, Not Formula**
No one size solution. We shape pricing to match your customers and use cases.

**Easy and Quick Renewals**
Annual renewals without the hassle: clear, quick, and built around your apps and customers. contracting.

**Your Sales, Our Delivery**
Client retains customer relationship and sales ownership, with Systics facilitating delivery.

**READY TO MAXIMIZE WORKDAY FOR YOUR CUSTOMERS?**
